**QUESTIONS & ANSWERS:**

Q1: I don't see a spec for the flat section of the roof, does that mean you are only doing the shingled portion of the roof?

A1: Both the shingled portion of the roof and the membrane roof are to be included in your proposal. While there is not a formal specification section for the membrane roof, please refer to the Scope Narrative section of the RFP (pages 24-27 of the RFP) for information on the work that should be included in your proposal.
