*WHEREAS*, in Federal fiscal year 2022, nearly 3.1 million children received either an investigation response or alternative response; and

*WHEREAS*, child abuse and neglect is a serious problem affecting every segment of our community, and finding solutions requires input and action from everyone; and

*WHEREAS*, our children are our most valuable resources and will shape the future of the Pennsylvania; and

*WHEREAS*, child abuse can have long-term psychological, emotional, and physical effects that have lasting consequences for victims of abuse; and

*WHEREAS*, protective factors are conditions that reduce or eliminate risk and promote the social, emotional, and developmental well-being of children; and

*WHEREAS*, effective child abuse prevention activities succeed because of the partnerships created between child welfare professionals, education, health, community- and faith-based organizations, businesses, law enforcement agencies, and families; and

*WHEREAS*, we acknowledge that we must work together as a community to increase awareness about child abuse and contribute to promote the social and emotional well-being of children and families in a safe, stable, and nurturing environment; and

*WHEREAS*, prevention remains the best defense for our children and families.
